BEAT THE HEAT: SMART TIPS FOR A COOLER, SAFER, AND MORE EFFICIENT HOME

August in Arizona means long days, hot afternoons, and hard-working AC systems. Use these simple tips to stay comfortable and keep your energy bills in check.

SET IT SMART

Set your thermostat to 78° when you're home and higher when you're away. Every degree can save you money!

CHANGE YOUR FILTER

A clean filter = better airflow, improved efficiency, and longer system life. Check it monthly!

KEEP IT CLEAR

Make sure your outdoor unit has at least 2 feet of clearance. Trim plants and keep it clean.

CLOSE & COVER

Close blinds or curtains during the hottest part of the day to keep heat out.

CHECK YOUR VENTS

Make sure all supply vents are open and unobstructed for balanced airflow.

DID YOU KNOW?

A well-maintained HVAC system can improve efficiency by up to 20%!

Regular maintenance helps prevent breakdowns, extends system life, and keeps your home comfortable all summer long.

HOW TO: CHANGE YOUR AC FILTER IN 5 EASY STEPS

A clean filter helps your system run better and keeps your air cleaner. It only takes a few minutes!

1 TURN OFF YOUR SYSTEM
Safety first! Turn off your AC at the thermostat.

2 FIND YOUR FILTER
It's usually in the return air vent or in the air handler.

3 REMOVE THE OLD FILTER
Slide it out. Note the direction of the arrows.

4 CHECK THE SIZE
Look at the size on the side of the old filter or the slot.

5 INSERT THE NEW FILTER
Insert with the arrows pointing toward the system.

PRO TIP: Check your filter monthly and change it every 30-60 days, especially in the summer!

AUGUST HOME CHECKLIST

Keep your home safe, efficient & ready for the rest of summer.

- ☒ Check & change your AC filter
- ☒ Clean around your outdoor unit
- ☒ Inspect thermostat settings
- ☒ Check ceiling fans (set to counterclockwise)
- ☒ Seal gaps around doors & windows
- ☒ Stay hydrated & keep cool!

ENERGY SAVING TIP

Use ceiling fans to help you feel cooler—they use way less energy than lowering your thermostat!

WE'RE HERE WHEN YOU NEED US!

MEET OUR OWNERS
